GUIDANCE NOTES

- Under the Rules of Racing, where a horse is leased "Owner" means the LESSEE not the lessor.
 - If outstanding engagements, entered in the name of the LESSOR(S), are to be transferred to the Lessee(s) a Transfer of Engagements form (TE1) must be completed and submitted to the Racing Operations Department at Weatherbys.
 - Under Rule (F)61 of the Rules of Racing it is the responsibility of the LESSEE to advise his trainer in writing if he does not have the written consent of the LESSOR to enter and run the horse in selling or claiming races. Furthermore , it is the responsibility of the LESSEE to establish the V.A.T. position of the LESSOR before a horse runs in such races. The LESSEE should therefore ensure that the relevant information above is completed by the lessor before this registration form is returned. The LESSEE must also take steps to ensure that the Clerk of the Scales is informed of any discrepancies in the V.A.T. registered ownership list provided in the Weighing Room before any claiming procedure commences.
 - Lease registrations are renewable annually. The fees for initial registration and annual renewal, due to the British Horseracing Authority, are subject to change from time to time and may be found in Schedule (A)1 of the Rules of Racing. Leases may only be registered where the LESSEE(S) has been Registered as an Owner.
 - The British Horseracing Authority will not accept leases for part-shares in horses for registration. If Owner A wishes to lease part of his horse to Owner B the lease should reflect this by Owner A leasing the horse completely to a Joint Ownership of himself and Owner B.
