

ANGLO-IRISH JUMP CLASSIFICATIONS 2019-2020

This is the twenty first full Anglo-Irish Jump Classification. It classifies the best steeplechasers and hurdlers that were trained in either Britain or Ireland during the 2019-2020 season, or in France if that performance was achieved in Britain or Ireland. It is not a handicap but a retrospective measurement of best sustainable performances during the recent season so there may be differences from current handicap marks.

The classifications are for all chasers and hurdlers down to a rating of 140. Both the steeplechasers and hurdlers are divided into distance categories of 2 miles to 2 miles 2.5 furlongs, 2 miles 3 furlongs to 2 miles 6.5 furlongs and 2 miles 7 furlongs plus. They are included in the list in which the handicappers believe they have put up their best performance. This is the second season that the hurdlers has been divided into three categories to match the steeplechasing division.

There is a separate classification identifying Novices rated 140 and above. Juvenile Hurdles are included in the Novice Hurdle section.

Horses trained in Ireland have * appended after their name. Horses trained in France but have a performance at 140+ in Great Britain or Ireland have ** appended after their name. Mares are in italics, Hunter Chasers underscored.

The ratings were agreed and compiled by;

Andrew Shaw	Ireland
Martin Greenwood	Great Britain
Andrew Mealor	Great Britain
