

JUMP RACE SERIES 2024/2025

We have once again put together a guide to this season's Jump Race Series for you to keep or download, in order to make it easier to manage plans for your horses. Series are listed in order of the date of the Finals and the specific qualification criteria for each series are also listed.

The list covers qualifiers through until the end of 2024, for the majority of series there will be further qualifiers from January 2025. These will be added once PB1 2025 has been published.

Please note: **the majority of qualifiers do not include any provision to qualify if the race is abandoned**, however replacement qualifiers may be added depending on the circumstances. Any series that do still have provision to qualify via abandoned qualifiers will state so clearly in their race conditions.

What's new for 2024/25?

The EBF Mares' Novices' Chase Series has been removed, but there are no fewer than three new race series for 2024/25. The Queen Boudicca Mares' Chase Series will culminate in a £50,000 final at Fakenham on the 19th of January. There is also a new series over fences at Fontwell, the Fontwell Chase Series, with a final on the 28th of March, plus the official launch of the Unibet Middle Distance Veteran's Chase Series, with a £100,000 final at Haydock on 19th of April. Details on all of these can be found below.

Where can I find a list of my qualified horses?

You can find these lists from the Racing Admin site by clicking on the Race Series option from your Fixtures & Races menu. The Racing Department will also issue email reminders to trainers and owners of qualified and part qualified horses for each series final.
