

JUMP RACE SERIES 2024/2025

We have once again put together a guide to this season's Jump Race Series for you to keep or download, in order to make it easier to manage plans for your horses. Series are listed in order of the date of the Finals and the specific qualification criteria for each series are also listed.

Please note: **the majority of qualifiers do not include any provision to qualify if the race is abandoned**, however replacement qualifiers may be added depending on the circumstances. Any series that do still have provision to qualify via abandoned qualifiers will state so clearly in their race conditions.

Where can I find a list of my qualified horses?

You can find these lists from the Racing Admin site by clicking on the Race Series option from your Fixtures & Races menu. The Racing Department will also issue email reminders to trainers and owners of qualified and part qualified horses for each series final.
