

Please see below a list of those racecourses where the trim on all hurdles and fences will transition from Orange to White, and the date of the first planned fixture that the White trim will be operational.

The first list is ordered by date of transition, the second list ordered alphabetically by racecourse.

This list is based upon information supplied to the British Horseracing Authority by the racecourses, and was last updated on 31 January 2022.

Racecourse	Date of 1st "White" Fixture	Racecourse	Date of 1st "White" Fixture
