Further dates to follow.

1. All races will be for Conditional Jockeys who have ridden not more than 20 winners prior to 30th September 2023.
2. Every rider must carry a whip. Whips can be waved and used in the backhand position only.
3. If a rider uses their whip in the forehand position, which includes waving their whip in the forehand position, it will be regarded as failing to comply with a requirement imposed on them by the BHA (see Rule (J)24.4) and the entry point penalty is a suspension of 7 days on days when a Conditional Jockeys' race is programmed to take place in Great Britain. This suspension will not count towards the total number of days suspended during the rolling six-month period.
4. If a rider is suspended for using their whip in the forehand position in one of these races they will be stripped of existing points, but will be able to continue riding in the series. In the case of a second offence the entry point penalty is a suspension of 14 days, on the days started in paragraph 3 and the rider will be prevented from riding in the remainder of the series.
5. Prior to the race the Jockey Coach will brief riders on the conditions of the race.
6. All riders must attend a mandatory course walk with the Jockey Coach and/ or a senior jockey 90 minutes before the race. If a rider is unable to attend this course walk they must obtain prior dispensation (see below). If a rider is unable to attend the course walk because they are riding or leading up in an earlier race, they will be expected to walk the course prior to this, but must inform Antonia Lawrence in advance. Failure to attend the course walk without contacting Antonia Lawrence in advance may result in the rider losing all riding skills and professionalism points for the race in question. Repeat offences may result in the rider

being prevented from riding in the remainder of the series. For prior dispensation from the mandatory course walk riders should contact Antonia Lawrence on 01638 665103.

7. After the race, the rider of every horse must report to the Stewards' room where they will be talked through the race by the Jockey Coach. This is a mandatory requirement and failure to attend this debrief may result in the British Horseracing Authority preventing the rider from taking part in the remaining races in the series. Special permission to miss the debrief may be granted by the Stewards on the day for any rider who has to leave straight after the race to travel to another meeting. This must be requested before the race. The Jockey Coach may also contact riders after the race meeting to further advise them on their riding.
8. The British Horseracing Authority are generously providing a prize to the winner of the series; the winner will be the rider who accumulates the most points in the series.
9. The points table for the series can be viewed on the Jockey Training and Development website <https://jockeytraining.co.uk/racing-excellence/> .
