1. Introduction

In response to the agreement set out in the Memorandum of Understanding of January 1998 (the 'new' Memorandum of Understanding) between the British Horseracing Authority (BHA) and HM Revenue & Customs (HMRC) relating to VAT and Bloodstock, this Code of Conduct details the resultant framework designed to facilitate sponsorship income for racehorse owners.

The Racehorse Owner's VAT Scheme is essential to the continuing success of the British Horseracing Industry.

Sponsorship permitted in this Code of Conduct only extends to race meetings held in Great Britain. So far as racing in other countries is concerned, any forms of advertising sponsorship carried on the horse, its equipment, its attendant(s) and/or its rider during a race meeting is a matter for the respective Racing Authority. **Contact details for other Racing Authorities are available at www.britishhorseracing.com or from the BHA.**

The Sponsorship Framework for Racehorse Owners (SFRO) principally addresses the following issues:

- The fulfilment of the agreement with HMRC by enabling owners to secure sponsorship or other business income therefore enabling owners to register for VAT
- The generation of additional income for racehorse owners through Sponsors
- Co-existence with sponsorship arrangements made between sponsor organisations and racecourses (Race-Sponsors)
- Operation within any future, wider framework(s) designed to attract and encourage additional sponsorship initiatives involving racing-industry groups

Failure to comply with any part of this Code of Conduct, as amended from time to time, will be a breach of the Rules of Racing (as amended to take account of the SFRO) for which warnings and penalties may be imposed.

This Code of Conduct is effective as of 1 September 2019, replaces the previous Code of Conduct, and may be subject to amendment from time to time. Any renewal of existing contracts or registration of new contracts must comply with the Code of Conduct, as amended, which may also be amended in future.

It is essential that both the spirit and the letter of this Code of Conduct are observed by all parties, at all times.

2. Executive Summary of SFRO

2.1. Requirements of SFRO

- Develop racing's commercial opportunities
- Meet the terms of the Memorandum of Understanding with HMRC in order to safeguard the current Racehorse Owner's VAT Scheme
- Provide commercial opportunities for Sponsors and Race-Sponsors
- Maintain the principle of co-existence between Sponsors and Race-Sponsors
- Determine specific sponsorship opportunities available

2.2. Sponsorship income opportunities within the SFRO

A two-tiered approach to generating sponsorship income:

2.2.1. Income sourced by owner or owners with defined or independent branding opportunities.

Owners have specific branding opportunities on the following items supplied by Owners or their Trainer:

- Owners' colours
- Attendants' clothing
- Rugs and sheets

Owners should note that these branding sites are the only branding sites available to Sponsors. Owners should also note that sites not under contract to Sponsors should remain clear of any other wording or logos as supplied by the Owner or other connections of the horse. This does not affect a Company Owners right to self-advertise – providing they register their arrangements with the BHA (see [Section 3.2.4](#)).

2.2.2. Income sourced by the racecourse with defined branding opportunity.

Racecourses have a specific branding opportunity for any race, on the Number Cloths. A sponsorship payment must be made whenever this branding opportunity is used; such payments will qualify as business income under the Racehorse Owner's VAT Scheme.

The total payment value is detailed within the conditions of the race. The payment will be divided in proportion to the number of horses that have started (as defined in the Rules of Racing). In such races, each horse's share being paid in accordance with the [Stakes and Prize Money Code \(para 24\)](#). The payment structure is as detailed in [Section 4.2.1](#).

The items as listed above are the only areas permitted by this Code of Conduct for branding on the horse, its equipment, its attendant(s) and/or its rider.

2.3. Minimum Values

To ensure the commercial nature of sponsorship contracts signed within the SFRO, an Owner or Owners must obtain a minimum level of sponsorship fee, such fee to be paid only for the right to use branding sites. Additional fees can be negotiated within the contract to cover incentive payments (e.g. the number of runs per horse, number of wins, number of televised runs), and other benefits.

Minimum values have been set by the BHA, in consultation with all relevant industry bodies, as follows:

- | | |
|------------|---|
| 1-9 Horses | £300 per horse per annum (not pro rata) |
| or | £750 per horse per annum (not pro rata) |
| | - payable if any horse runs in a Class 1 race in Great Britain |
| | - such value, once attained, is not open for rebate or reduction on the reclassification of the horse, throughout the duration of the contract. |
| 10+ horses | £100 per horse per annum (not pro rata) |

All Sponsors should be made aware through contract of the possible increase in sponsorship fee if a sponsored horse runs in a Class 1 race in Great Britain. The additional payment should be made within 28 days of the horse running its first Class 1 race (if the first run at this level comes after the start of the contract period). Owners will be expected to invoice Sponsors accordingly.

No sponsorship contract will be registered unless the sponsorship fees meet these minimum values.

2.4. Additional Opportunities

Owners are encouraged to include additional opportunities/benefits within sponsorship contracts to help maximise sponsorship income.

3. Owners

3.1. Sponsorship Opportunities

Definition of an Owner: As defined in the Rules of Racing ('Owner')

Definition of Sponsorship: "Sponsorship is a business relationship between a provider of funds, resources or services, and an individual, event or organisation which offers in return rights and association that may be used for commercial advantage."

It is emphasised that the key terms are 'business relationship' and 'commercial advantage', which distinguish 'sponsorship' from 'patronage', which is essentially, an altruistic gesture. Sponsorship must be understood as similar to a partnership between two parties, of mutual benefit to both.

Definition of Logo: Short for logo type, a logo is a trademark, company name/emblem or series of characters that may be used within any of the branding sites referred to in this Code of Conduct.

What can be sold? - branding sites and sizes, appearance and method of fixing: These dimensions comply with [The BCAP Code](#).

Branding sites: Patches are permitted to be full colour. Ideally, patches are to be fixed with Velcro* or other such removable fixing method to enable ease of removal. If patches are permanently fixed, an alternative un-branded item should be available at the racecourse to be used in the event of any non-compliance with this Code of Conduct. Should an un-branded item not be available, branding may, at the discretion of a BHA Official, be covered over or removed in order to comply with this Code of Conduct.

* "Velcro" is a registered trademark of Selectus Limited.

Once sponsored, any horse which is the subject of a sponsorship contract MUST carry the sponsor's logo on at least ONE of the designated branding sites.

		
<p>Owners Silks: Collar</p> <p>Any shape 1.5 x 4in. (3.8 x 10.2cm) max. Both sides must be branded</p>	<p>Owners Silks: Chest</p> <p>Any shape 32 sq. in. (206 sq. cm) max. Front only</p>	<p>Attendant: Hat</p> <p>Any shape 9 sq. in. (58 sq. cm) max.</p>
		
<p>Attendant: Rear of Clothing</p> <p>Any shape 32 sq. in. (206 sq. cm) max.</p>	<p>Attendant: Front of Clothing</p> <p>Any shape 32 sq. in. (206 sq. cm) max. Central or Right pocket area</p>	<p>Rug</p> <p>Any shape 64 sq. in. (412 sq. cm) max. Both sides must be branded.</p>

Attendants' Clothing: Trainers may brand the left breast pocket area with a logo (10 sq. in. (64.5 sq. cm) max) promoting their own yard. This site may be shared with the Owner-Sponsor, provided agreement has been secured from the Sponsor.

If the Race-Sponsor provides Attendants' Clothing then the sponsor's logo **MUST** still be carried on at least one of the other designated branding sites.

Rugs: Owners and Trainers are permitted to brand their rugs, on both sides, with their name or logo (64sq. in. (412sq. cm) max.) if the rug is displaying no other branding. If other branding is in use, the logo must be 32 sq. in. (206sq. cm) max.

In the event of a rug/ sheet being provided by a Race-Sponsor for a winning horse, the use of such rug/sheet takes precedence over any rug or sheet provided by an Owner or Trainer.

All areas are to be calculated by measuring around the outline of the words/logo(s) and will include the space between words if more than one is carried or between words and logo if both are carried. Any lines or box surrounding the words/logo(s) will be considered as part of the maximum area.

Branding must comply with the Code of Conduct at all times when it appears on a racecourse in the following locations:

- in any stabling area or horse box
- in the pre-parade or parade ring
- on the race-track
- in the winners enclosure and any other unsaddling area
- and whilst proceeding between any of the above locations

The responsibility for compliance with the Code of Conduct in relation to Owners' branding opportunities lies with the Trainer acting on behalf of the Owner, unless the Trainer can satisfy the Stewards that the failure to comply with the Code of Conduct was the sole responsibility of the Owner. Breaches of the Code of Conduct are breaches of the Rules of Racing (see [Section 6.3](#)).

Horses trained outside Great Britain that are due to run at a meeting in Great Britain may only carry branding if a sponsorship agreement has been approved and registered with the BHA (see [Section 3.2.3](#)).

3.2. Approaching Sponsors

The Code of Conduct permits and encourages an Owner to enter the market place as an individual, and/or as a member of a group, and to have the option to appoint an agent to assist in identifying and negotiating with Sponsors. In order to protect Sponsors' rights on course, BHA Officials monitor, advise and report on the scheme, to ensure all Sponsors receive their contractual rights.

The key requirements are summarised below:

3.2.1. Price/income imperatives

The sponsorship opportunities for each racehorse should be valued together, and Owners should ideally sell them to one Sponsor only. To ensure the commercial nature of sponsorship contracts signed within the SFRO, an Owner or Owners must gain a minimum level of sponsorship fee, such fee to be paid only for the right to use branding sites.

Additional fees can be negotiated within the contract to cover incentive payments (e.g. the number of runs per horse, number of wins, number of televised runs) or other sponsor benefits.

If a Group sponsorship should drop below 10 horses during the contractual period, the Group organiser must make every effort to ensure sufficient horses are identified as replacements. If at renewal there are still less than 10 horses this will no longer qualify as a Group sponsorship and minimum values will have to be altered accordingly.

The minimum values have been set by the BHA in consultation with all relevant industry bodies and are as given in [Section 2.3](#). Sponsorship contracts will NOT be registered unless these minimum values have been attained.

3.2.2. Contracts

The Sponsorship Contract Template may be used to record a contract between an Owner and Sponsor. If this is not utilised, any contract should contain all of the following:

- agreement by the sponsor to pay the minimum value
- date of signing
- name and address of Owner
- name and address of Sponsor
- the nature of the Sponsor's business
- exact description of name, logo or word(s) to be used within the allowed branding sites
- period of the sponsorship (ideally be no less than one year, with a maximum term of five years (60 months))
- financial consideration (sponsorship payment by Sponsor to Owner) plus VAT (if applicable)
- list of sponsored horses
- agreement to comply with the Code of Conduct, as amended from time to time.

A copy of the agreement should be kept by both parties for information purposes.

3.2.3. Registration of Sponsorship

Following the signing of a contract with a Sponsor, the Owner must submit the details of the sponsorship online, through the new Racing Administration system, for approval and registration with the BHA.

The details of the contract will be checked for compliance with the Code of Conduct. Registration will become effective five(5) days after approval and from this time the Sponsor's logos must be worn on the racecourse in accordance with the Code of Conduct.

Confirmation of successful registration, detailing the date from which the Sponsor's logos must be worn, will be sent to the Owner and Sponsor.

3.2.4. Company-owned horses

Horses owned by companies registered as Owners may carry that company's branding, on rugs and sheets only, provided such branding is in accordance with this Code of Conduct. In the event of a company registered as an Owner electing to use other branding sites detailed in this Code of Conduct (i.e. Owners' colours and attendants' clothing), details must be submitted online, as specified in [Section 3.2.3](#).

Registration will become effective five(5) days after approval and from this time logos may be worn on the additional branding sites.

3.2.5. Single-race leasing

When entering a horse that has been leased for a single race only, please contact BHA Sponsorship/VAT Desk at Weatherbys, with details of any branding that you wish the horse to carry at the earliest possible opportunity, so that they may inform the racecourse in advance of the race day.

3.2.6. Unacceptable products or services

All sponsorship or advertising under the Code of Conduct must also comply with the [UK Code of Broadcast Advertising](#) ('The BCAP Code').

Under The BCAP Code the following products or services are listed as unacceptable:

- i) **All tobacco products**
- ii) **Betting systems and products that are intended to facilitate winning games of chance**
- iii) **Breath-testing devices or products which mask the effects of alcohol**
- iv) **Guns and gun clubs**
- v) **Prostitution and sexual massage**
- vi) **Obscene material**
- vii) **Pyramid promotional schemes**

The above list of unacceptable products is not exhaustive and under [Rule \(E\)6](#) the BHA shall have complete discretion whether to approve and register any Owner sponsorship contract.

3.2.7. Sponsorship by Betting Organisation

Sponsorship by a Betting Organisation is permitted for individual Owners. Where such sponsorship is part of a yard agreement the trainer MUST also complete the online 'Commercial Agreements' form in accordance with [Rule \(J\)2](#).
<https://britishhorseracing.wufoo.com/forms/commercial-arrangements-trainers/>

3.2.8. Sourcing branding

Following the signing of a contract and approval by the BHA, arrangements must be made to produce sponsorship branding.

Registration becomes effective five(5) days after approval and from this time the Sponsor's logos must be worn on the racecourse in accordance with the Code of Conduct.

4. Racecourses

4.1. Sponsorship Opportunities

What can be sold? - branding sites and sizes, appearance and method of fixing: These dimensions comply with [The BCAP Code](#).

4.1.1. Paddock name and number cloths:

- The only branding sites available to sponsors are underneath the racecard number on both sides of number cloths. Paddock name and number cloths, which may be worn over the top of horses' paddock sheets as long as they do not obscure the Sponsor branding on those sheets, may display the number, the name of the horse and also the Race-Sponsor's logo.
- Size; Rectangular patches exactly 14.5 inches by length and 4.5 inches by height (or 37 cm in length and 11 cm in height).
- Appearance; A logo of any shape may be positioned only within the area of patches.

A branding site, of area no larger than 5 square inches (32 square cm), is available free of charge to racecourses in order to self-advertise. The racecourse logo/name may appear on both sides of the number cloth, in the upper rear corner. The logo/name may be permanently fixed and full colour is permissible.

4.1.2. Attendants' clothing:

- The Aintree Grand National Festival and the Epsom Derby Meeting, are the only meetings for which attendants **MUST** wear the Race-Sponsors branded clothing, if it is offered.
- A race sponsor that does not have a contract to supply attendants' clothing may do so, provided the logo of the relevant SFRO Sponsor is shown on AT LEAST one other branding site, however attendants are under no obligation to wear it.

The details concerning branding sites and sizes, appearance and method of fixing are as given in [Section 3.1](#) of this Code of Conduct. **The branding sites detailed in this section are the only sites allowed.**

4.2. Approaching Sponsors

A racecourse may sell the number cloth sponsorship opportunity to an existing Race-Sponsor or use it to attract new sponsors to the course. Where a race has a title sponsor, this opportunity must be offered to them in the first instance. Should the Race-Sponsor not exercise this option, the racecourse may then approach another sponsor for the branding site. Racecourses may also sell this branding site in unsponsored races, and may utilise the branding site to promote the racecourse itself. In any instance, the minimum sponsorship payment must comply with the Payment Table below, which may be amended from time to time.

4.2.1. Price/income imperatives

- Only one sponsor's name/logo shall appear on the number cloths per race.
- A racecourse may sell this opportunity to one sponsor for a number of races.
- Racecourses should set a value based on whether the race has minor or major status, is covered by television and/or attracts a large crowd. Consideration should also be given to other commercial factors that are already taken into account by racecourses in current sponsorship dealings.
- Whether the payment for this branding opportunity has come via a payment from an existing Race-Sponsor or within the package agreed with a new sponsor, the payment will be divided in proportion to the numbers of horses which have started (as defined in the Rules of Racing) in such races; each horse's share being paid in accordance with the [Stakes and Prize Money Code \(para 24\)](#).

The following Payment Table describes current Guidelines and Minimum Payments.

Sponsored Number Cloths (SNCs) - Payment Table

RACE TYPE	GUIDELINE	MINIMUM PAYMENT
Live, scheduled terrestrial televised race	10% of Money Added to Stakes	£500
Satellite-only (RUK, SIS, attheraces) scheduled race	5% of Money Added to Stakes	£250
All other races not covered by the above	None	£150

4.2.2. Unacceptable products or services

Racecourses are referred to [Section 3.2.6](#) of this Code of Conduct. Unacceptable products or services must be avoided.

4.2.3. Contracts

A clear written agreement is recommended to be drawn up and signed by the racecourse and the Race-Sponsor.

4.2.4. Notification/distribution of income to owners

When racecourses exercise their options under this Code of Conduct, notification must be given on the Race Entry proofs to ensure that the relevant information appears in the race conditions within the Racing Calendar.

The coding and wording will be as follows:

SNC = Sponsored Number Cloth: All Number Cloths to be carried in this race have been sponsored and will carry the name/logo of (sponsor). The sponsorship payment of £x will be distributed equally amongst all horses starting in this race in accordance with the [Stakes and Prize Money Code \(para 24\)](#) of the Rules of Racing.

AC = Attendants' Clothing: Attendants' Clothing branded and will be provided by Race-Sponsor.

For Sponsored Number Cloths, the Race Conditions will also show the Sponsor and the Total Amount to be paid out (exclusive of VAT).

In the event of the relevant coding failing to appear in the race conditions, Sponsored Number Cloths may only be carried at the discretion of the Managing Executive of the racecourse. In the instance of details not being published in the race conditions, racecourses MUST inform the Racing Finance team at Weatherbys as soon as possible.

In the event that Sponsored Number Cloths details are published in relation to a race but do not physically appear in such a race, the published sponsorship payment will remain payable in accordance with the [Stakes and Prize Money Code \(para 24\)](#)

The responsibility for compliance with the Code of Conduct in relation to racecourse branding opportunities under the Code of Conduct will lie with the Managing Executive of the racecourse.

6. Termination

- 6.1. In addition to any other rights and remedies that the Owner may have this Agreement may be terminated by giving written notice to the Sponsor in the following circumstances:
 - 6.1.1. where the Sponsor is in breach of any of its material obligations or agreements hereunder which is not capable of remedy; or
 - 6.1.2. where the Sponsor is in breach of its material obligations or agreements hereunder which are capable of remedy and fails or refuses to remedy such breach after receiving written notice requiring it so to do within thirty (30) days from the date of such notice; or
