

SIRES of TWO YEAR OLDS (winners of 9 furlongs 110 yards+)

The following has been designed to assist owners and trainers in determining whether their horse(s) meet the sire qualification criteria for Sire and Dam restricted maiden races. It lists sires who, during their racing careers, were successful over a distance of 9 furlongs 110 yards + on the Flat. The list is not exhaustive as historical records for horses who raced abroad are not readily available. Should you believe your horse to be qualified but the name of its sire does not appear below please contact Weatherbys Weight Adding team who will be happy to assist.
